

RETHINKING GOOD INTENTIONS

PERFORMANCE SCHEDULES FOR FRINGE FESTIVALS (2024)

Updated July 8, 2024

RETHINKING GOOD INTENTIONS is a solo show written, directed, and performed by Nancy Edwards, an Ottawa-based Canadian story-teller. This compelling play transports audiences to the rural villages of Sierra Leone, West Africa in the late 1970s and 1980s where Nancy worked as a community health nurse for five years. Nancy's heart-breaking and heart-warming stories will make you laugh and cry. This new play is full of humanity. The play takes approximately one hour. It is intended for mature audiences (18+).
